

Riverbank Homeowners Association
Board Meeting

August 23, 1986

Board Members present: David Stoddard, Lynn Spencer, Bill Root, Donna Selby.

The Board met to re-evaluate plans concerning the Greg Huntsinger landscape plans.

A motion was made to re-evaluate the decision made May 24, 1986, based on Article V paragraph 5.5 of the Declaration of Restrictions of Riverbank Homeowners Association. The motion was seconded and approved.

A suggestion was made that the fence be put inside the property line with shrubs on the outside to help hide the fence and thus preserve a harmonious environment and the natural wildlife area.

It was also requested that all parties give written explanation of any concerns over the proposal. Greg Huntsinger is to be asked for details on the purpose of the fence and the material used. David Stoddard is to contact Greg Huntsinger. Michael Tourney is to be asked to give written information detailing his concern over the proposed landscape plans of Mr Huntsinger. David Stoddard will contact Tourney. Other parties surrounding the Huntsinger property will be contacted as follows: Bill Root to contact Jack Kohl and Donna Selby will contact Carl Watkins.

A second meeting was requested for Tuesday, August 26, 1986 at 9:00 pm in the home of Bill Root.
