F. TABLES FOR CLUB HOUSE: Wayne reported that tables for the Club House can be purchased for approximately \$25.00 a table at Bests. Members proposed the tables be purchased.

VI. NEW BUSINESS

A. HOUSE PLANS for construction of a home behind the Fromherz residence were reviewed by the Board. It was noticed that the plans were not blueprints and/or "specs". It was the consensus of the Board that approval of the construction of the home cannot be given until the "specs" are reviewed by the Board. Liz offered to relay this information to the builder and request a copy of the blueprints.

B. NEIGHBORHOOD PROJECT: Wayne opened discussion regarding the possibility of having a neighborhood cleaning day to include renting a street sweeper and cleaning up around the "loop". Due to a lack of meeting time, this issue was deferred for further discussion at the next Board meeting.

VII. ADJOURNMENT: The meeting adjourned at 9:00 p.m.
